Visa Jobs Skills Assessment Process

Video Consultation

Before you decide if our program is right for you, we will arrange a video call to explain the process and answer any questions you might have.

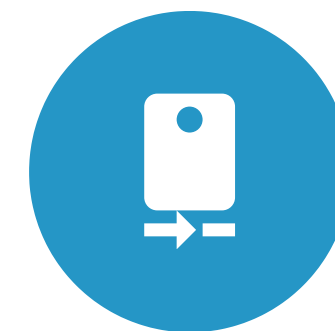

Gather Documents

You will get access to our skills assessment partner's portal and consultants to help you through the document gathering stage.

Documents Assessed by RTO

After successfully completing stage 2, we will register you with TRA, pay your assessment fees, and submit your documents.

Technical Interview by RTO

Once you have passed the document assessment by the RTO, we will organise your final assessment, the Technical Interview. We will explain what to expect and how to prepare.

Skills Assessment Outcome

After passing the technical interview, the RTO will issue you your assessment outcome letter and certificate. You are then ready to continue through the TSS visa process.
